Gentlemen:

In the matter of the death certificate of Peter Swanson who died here October 28, 1944 we have been informed by the family that on their examination of the photostatic copy of Mr. Swanson's birth certificate which is attached to his insurance policies that there was a mistake made in his age at time of death, as stated on the death certificate the age was 77 years, 7 months & 16 days, which is incorrect and should read 76 years, 7 months, & 16 days.

Very truly yours,

George B. Blake
